

Protect Your Inventions

FREE classes

Legally and confidentially protect your ideas and inventions before filing patent applications.

Attend via laptop, tablet, or smart phone and apply new US first-to-file patent laws.

Idea

What you learn

From Patent to Profit® classes show you how to legally protect your intellectual property:

- Thoroughly describe patentable subject matter with an invention disclosure.
- Conduct a worldwide patent search (90+ countries).
- Keep records to prove derivative (patent) rights.
- Learn fundamentals of trade secrets, trademarks, copyrights, and trade dress.

Effectively protect your ideas and inventions.

Who should attend

Anyone who wants to protect their unique ideas:

- Engineers.
- Business entrepreneurs.
- Internet start-ups.
- Computer/software designers, programmers.
- All product and lifestyle designers.

How to register

Pre-register online at frompatenttoprofit.com for: July 13th, September 7th, or November 2nd.

Check out our award-winning design, patenting, and marketing classes for fall.

Instructor *Bob DeMatteis* is an inventor with 26 US patents and the author of *From Patent to Profit*.
